

The professional in valves & automation.

About Us

Over the years, SPLT Consult Re Engrg Svcs Sdn. Bhd. has become one of the most reliable solenoid valve distributor in Malaysia area and beyond. Our business began in 2016 by our founder, Levis Lee, whose passion for providing value in the process industry led him to take a leap into this industry. Today, SPLT is one of the top suppliers in Malaysia, offering quality products as well as a variety of professional services such as design, sourcing and supply in the market.

Welcome to the world of solenoid valves.
